INVITE NEW CONTRIBUTOR

Copy the invitation token and send it to them. If they click on the link, they will be asked to login and upon successfully logging in they will have access to the surveys.

The screenshot displays the EOSC Open Science Observatory web application. A modal window titled "Add contributor" is centered on the screen. It contains a text input field with a long alphanumeric invitation token, a "CLOSE" button, and a copy icon. Below the modal, a table lists existing contributors. The table has columns for NAME, ROLE, and ACTIONS. The NAME column contains masked entries (asterisks). The ROLE column lists "Manager" and "Contributor". The ACTIONS column contains trash icons for contributors. A sidebar on the left shows navigation links: Home, My Surveys, My Group, EOSC-SB Surveys, Messages, Support, Privacy policy, and Use Policy. The top navigation bar includes links for About, Explore, Country pages, Resources, and Contact, along with a user profile indicator for "EOSC SB (Greece) SM".
